A web browser window showing the 'Admin Login' page. The page has a light gray background and a white sidebar on the left. The main content area is white and contains the following elements:

- Username:** A text input field with the value 'default'.
- Password:** A password input field with masked characters '••••••'.
- Login:** A blue button.
- Back to Home:** A small gray button below the Login button.

<https://danielsanchez-r.github.io/-Team-CS-334/Stage2/templates/manager.html>

Two browser screenshots showing the 'Tea Shop Admin' interface. The top screenshot shows the 'Manager Dashboard' with two main sections:

- Manage Products:** A box with the text 'Edit, add, or remove items from the store.' and a blue button labeled 'Go to Product Management'.
- View Orders:** A box with the text 'Check and process customer orders.' and a blue button labeled 'View Orders'.

The bottom screenshot shows a login error message in a white box with a blue 'OK' button:
